Technical Data Sheet

High Perf Tractor Universal 10w-30

Product Code: AGR013 - Revision: 20181112

Product Description

A premium quality multi-grade super universal tractor oil manufactured from solvent refined paraffinic base oils blended with additives which are specially selected to give high performance in various applications on the modern tractor.

Benefits

- Universal application reduces lubricant stock levels and prevents misapplication.
- Reduced engine deposits and oil thickening.
 Improved wear protection.
- Excellent anti-corrosion properties which protects all working components.

Applications

Engine, transmission (including wet brakes) and hydraulic systems of agricultural tractors. Suitable for turbocharged and naturally aspirated diesel engines, also TVO and petrol engines.
