

Technical Data Sheet

Biodegradable Chain Oil 100

Product Code: AGR023 - Revision: 20181212

Product Description

Specially formulated chain saw oils manufactured from refined naturally occurring esters and treated with additives to prevent the oil being flung off the chain and minimise wear.

Benefits

- Environmentally friendly.
- Readily Biodegradable.
- Longer chain life.
- Less oil spattering.

Applications

Recommended primarily for the bars and chains of pump-fed chainsaws but can also be used in pressure-fed chainsaws.

Typical Test Data

Density @15°C	-	0.92
Flash Point (°C)	-	>200
Kinematic Viscosity cSt @ 40°C	-	100
Kinematic Viscosity cSt @ 100°C	-	22
Pour Point (°C)	-	<-10
Viscosity Index	-	249
