

Bolle Safety (BOLSLAPPSI)

## SLAM+ Safety Glasses - Clear

The Bolle Safety SLAM+ Safety Spectacles provide excellent comfort with stylish, twin-material, ergonomic temples. They offer all-round vision and have an anti-fog and anti-scratch Platinum coating which guarantees more safety and reliability. This permanent coating applied on both surfaces makes them highly scratch-resistant (1.4 cd/m<sup>2</sup>), gives them high resistance to the most aggressive chemicals and slows the appearance of fogging. In any circumstances and at every moment, Platinum provides the highest safety for eyes. These Bolle Safety SLAM+ Platinum Safety Glasses have clear lenses. Approved for permanent wear and certified with perfect optical quality with anti-fog and anti-scratch coatings, 99.9% UVA/UVB protection. Specification Lens Type: Clear, Platinum Anti-Fog and Anti-scratch. Lens Conforms to: EN170-UV 1.2. Frame Conforms to: EN166F.
