

Milwaukee Power Tools (MILM12IR382)

M12 IR-201B Sub-Compact 3/8in Impact Ratchet 12V 1 x 2.0Ah Li-ion

The Milwaukee M12 IR-201B 3/8in Sub-Compact Impact Ratchet has a compact design that is ideal for tight spaces and small engine bays. It's reinforced housing provides high durability similar to steel ratchets. It's variable speed metal paddle switch trigger provides greater user control during application. On board fuel gauge and LED light offer added user convenience and illumination in low lit working conditions. Has the best in class power and speed with 47Nm of torque and a no load speed of 250/rpm. REDLINK overload protection electronics in tool and battery pack deliver best in class system durability. Individual battery cell monitoring optimises tool run time and ensures long term pack durability. REDLITHIUM-ION battery pack delivers up to 2x more run time, up to 20% more power, up to 2x more battery life and operates better down to -20 C than other lithium-ion technologies. Flexible battery system, works with all Milwaukee M12 batteries. Supplied with 1 x 12V 2.0Ah Li-ion Battery, 1 x Charger and 1 x Tool Bag. Specification: Bit Holder: 3/8in Square No Load Speed: 0-250/min. Max Torque : 47Nm Length: 274mm Weight: 0.9kg
