

Milwaukee Power Tools (MILM18FLAG12)

M18 FLAG230XPDB Angle Grinder 18V 1 x 12.0Ah Li-ion

The Milwaukee M18 FLAG230XPDB Angle Grinder is fitted with the next generation POWERSTATE brushless motor, Milwaukee's most powerful motor utilising higher grade magnets and 175% more copper vs previous motors. The non-lockable safety paddle switch features a line-lock-out function to prevent automatic start up. For improved user protection there is a disc brake that slows the disc down faster. Keyless guard for great cutting capacity and fast guard adjustment without using a key. FIXTEC nut for tool-free disc change. REDLINK PLUS intelligence system delivers an advanced digital overload protection for tool and battery and uniquely enhances the tool performance under load. Supplied with 1 x 18V REDLITHIUM-ION HIGH OUTPUT 12.0Ah battery pack that provides superior pack construction, electronics and fade-free performance. Comes with an anti-vibration side handle and removable dust screen that prevents debris entering the motor, prolonging motor life. Specification: No Load Speed: 6,600/min. Max. Disc Diameter: 230mm Spindle Thread: M14 Charge Time: 130 min. Weight: 5.3kg

Disc Diameter

230mm

Voltage

18V

Input Power

1 x 12.0Ah Li-ion

No Load Speed RPM

6,600

Spindle Thread

M14
