# M18 FTS210-121B ONE-KEY™ Cordless Table Saw 18V 1 x 12.0Ah Li-ion

The Milwaukee M18 FTS210 ONE-KEY Cordless Table Saw delivers the power to rip cut at the same feed rate of an equivalent AC saw. Fitted with the next generation POWERSTATE brushless motor, Milwaukee's most powerful motor, utilising higher grade magnets and 175% more copper vs previous motors. Its rack and pinion sliding fence allows the fence to be adjusted accurately and easily from the front of the saw, giving 622mm of rip capacity. Quick-change guard and riving knife: remove and adjust the riving knife and guard without removing the throat plate. It also features an integrated carry handle for easy transportation and on-board storage for all table saw attachments. REDLINK PLUS intelligence system delivers an advanced digital overload protection for tool and battery and uniquely enhances the tool performance under load. ONE-KEY tool tracking and security offers a cloud-based inventory management platform that supports both location tracking and theft prevention. Supplied with a vacuum adaptor that fits directly to all Milwaukee dust extractors.
