## Apache (APAWPJM)

## **ATS Waterproof Padded Jacket - M (42in)**

The Apache ATS Waterproof Jacket is padded, providing a good degree of warmth on a cold day. All seams are sealed to avoid water ingress. Fitted with a removable, integral storm hood with drawcord feature. The jacket features additional hardwearing panels to the shoulders and lower arms and secure elasticated cuffs. With two large side pockets and an internal zipped pocket. Reflective piping to front of jacket for added safety. 1 x Apache ATS Waterproof Padded Jacket Medium (42in)
