## Scan (SCAWWHVBJM) Hi-Vis Yellow Bomber Jacket - M (41in)

This Scan High-Visibility Yellow Waterproof Bomber Jacket conforms to EN 471 Class 3 and EN 343 Class 3 for protective clothing against foul weather. The outside fabric is made of 100% waterproof polyester with PVC coating and has stitched and taped seams. The jacket has an inside quilted nylon lining and polyester wadding to ensure excellent insulation and warmth. With a heavy-duty zip, foldaway hood, studded storm flap, elasticated cuffs and hem, this jacket is excellent at protecting from foul weather conditions. The jacket also features 2 outer pockets, an inside pocket with button, and a pen pocket on the sleeve. Available in M, L, XL, XXL. Colour: Yellow Size: Medium (39-41in).
