

Vitrex (VIT337100)

Premium Builder's Grip Gloves

The Vitrex 337100 Premium Builder's Grip Gloves provide excellent grip and are ideally suited to outdoor projects. They are ideal for a variety of jobs and for handling rough materials, such as brick, slabs, etc. They have a latex coated palm that has superior resistance to tearing, puncture and abrasion. The knitted back material allows for breathability and comfort, and the elasticated wrist allows for a secure and comfortable fit. Conform to EN388 standards.
