

Lumatic (LUM540112)

Industrial One Handed Grease Gun

The Lumatic Industrial One Handed Grease Gun has a cast head design with a air release valve/European pattern bulk filler nipple. It is suitable for use with a standard 400g cartridge (also 500g bulk fill), and it is particularly suitable for use with silicon grease. Comes with a 228mm (9in) single wire hose and precision connector.

Type	Capacity	-	-
228mm	500g	-	-
